Susan P. Dark

Application No.: 10/741,798

Confirmation No.: 5599

Filed: December 19, 2003

Art Unit: 2419

For: INTELLIGENT FEEDBACK LOOP
PROCESS CONTROL SYSTEM

Examiner: J. M. Rutkowski

INFORMATION DISCLOSURE STATEMENT (IDS)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the reference listed on the attached PTO/SB/08. Applicant submits an English translation of a reference that was submitted in an earlier Information Disclosure Statement. Applicant commissioned this translation from a private translation service and submits this translation as a courtesy to the Examiner.

This Information Disclosure Statement is filed more than three months after the U.S. filing date, OR more than three months after the date of entry of the national stage of a PCT application, AND after the mailing date of the first Office Action on the merits, whichever occurs first, but before the mailing date of a Final Office Action or Notice of Allowance (37 CFR 1.97(c)).

Further to the Information Disclosure Statement filed July 18, 2008, applicant respectfully directs the attention of the above-identified Examiner to the attached document:

Toshio Yamauchi, "How-To! Network Solutions, Part Two, Protecting Websites from DoS Attacks", English Translation, May 2000, Interop Magazine, 4 pgs.

which is an English translation of the reference cited on PTO Form SB-08 accompanying the July 18, 2008 Information Disclosure Statement. The English translation was not readily available at the time of the July 18, 2008 filing and is therefore submitted herewith. Applicant received the translation less than one month ago and submits the document to make the record more complete. Since the original Japanese-language reference was previously submitted, it is believed that no fee or Statement Under 37 C.F.R. 1.97(e) is due with this communication.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure Statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

Please charge any additional fees required or credit any overpayment during the pendency of this Application pursuant to 37 CFR 1.16 through 1.21 inclusive, and any other sections in Title 37 of the Code of Federal Regulations that may regulate fees to Deposit Account No. 06-2380, under Order No. 58895/P001C1/10316486 from which the undersigned is authorized to draw.

Dated: November 11, 2008

Respectfully submitted,

By 
Thomas Kelton
